Dear Cynthia,

The Staff at Washington Oaks would like to express our appreciation to your organization for the time and effort you spent helping with our Earthday Celebration.

Your participation in our event helped insure its success. The event was enjoyed by park patrons from all around. We hope you will consider participating in our Earth Day Celebration for 1996.

Without the support and participation of you and others the event would not be as successful. Again, thank you and we hope to see you next year.

Sincerely,

Amoi Dort, Park Ranger
