## Navy Orlando celebrates the nation's birthday

NTC's Lake Baldwin Park was the site of the Naval Training Center's annual FreedomFest celebration on July 4, marking the 218th anniversary of the Declaration of Independence. Crowds of people enjoyed the food, sporting events and entertainers presented by the NTC Morale, Welfare and Recreation Department's Special Events Office. MWR photographer Libby Freeman captured the activities pictured on this page. For more of her photographs of the day's events, turn to page 12.

*THIS MAJESTIC EAGLE made the day a learning experience for many FreedomFest participants, thanks to the efforts of the Save the Wildlife Foundation.*
