Dear *Cindy,*

Thank you for making Guest Reader Day at Oak Ridge High School a huge success. We had 50 guest readers participate on May 15th.

As we are receiving comments from the teachers and the students, we are very pleased about the variety of activities and reading materials that were shared with our students. We heard numerous comments, such as: "what an interesting person," "outstanding," "great interaction with students," and "enjoyed selections."

Your creativity and resourcefulness stressed reading in many different ways. Thank you for taking the time from your busy schedule to interact with our students and especially for sharing your love of reading.

Sincerely, on behalf of
ORHS Reading Committee,

Angela Story
