Dear Cyndi:

With sincere appreciation for all your help and dedication towards the Citizens for Wekiwa Basin GEOpark and Wekiwa Springs State Park throughout this past year, please accept our donation to Save The Wildlife.

I enjoyed your personal tour of your operation at Jungle Adventures - it is very impressive, as are your plans for future expansion. If there is anything that the CSO can do to assist, please feel free to contact me.

Very truly yours,

CITIZENS for WEKIVA BASIN
